

Children's Book of Mormon Stories

by Beth Spencer

The total cost was \$21,946.62.

As congregation we have raised \$17,958.00.

We need to raise an additional \$3,988.62.

Remember that Beth is not taking any of the profits from the sale of the book and the Book of Mormon Foundation is not paying for the publishing of the book. All profits will go to the Book of Mormon Foundation. If you have any questions, please ask Eldon. Thank you for your generosity.

Honoring Our Military Heroes

Sunday, November 10, 2024 • 9:45 a.m.

Freedom is a precious gift! Join us on Sunday, November 10 at 9:45 a.m. for a special service as we honor those who have served to protect the freedom and liberties of our great nation.

Members of the Colbern Road Restoration Branch who have served in the military will be presented with a Quilt of Valor by the Colbern Road Quilters. There will also be a special pinning ceremony for those who served during the Vietnam era.

The service will be available via livestream immediately following family worship. There are no Sunday school classes scheduled on this date so all can participate in this special service.

After the 11:00 a.m. worship service there will be a special potluck luncheon in honor of our military members. Please bring a dish to share, keeping in mind we anticipate several guests.

Please come and support our military heroes, as we show our appreciation for all they have done to protect our country.

BOOK ORDERS: Because Colbern Road was so generous in the financing of “The Second Witness of Jesus Christ” by Beth Spencer, the members of the congregation pay \$12 per book until the end of the year. The general price is \$15 and the Colbern price will go to \$15 January 1st. If you would like to purchase copies, please contact Sue Manning at the Book of Mormon Foundation during office hours. She will give you a total and will have the books at church the next Sunday.

What is a Hilltopper, you ask? Well, we welcome all wanna-be friends, but here are some kinda sorta guidelines:

Our children have graduated (or not) and we have grandchildren (maybe, maybe not). We're not young bucks or does, but we're not over the hill yet! But the most descriptive thing is that we ask the important questions in life like, "I know I came into this room, but what did I come here for?"
